

Avon Visioning: 2020

To plan for the future, we must study the past.

Five years ago, about 250 area residents gathered at the Avon Elementary School on a warm August evening to develop a set of short and long term goals for the community. The time has come for us to revisit those goals in an effort to celebrate our accomplishments and to reset our priorities for the next 10 years and beyond.

Please *join us for the *Avon Visioning: 2020* session to be held on August 13, 2009 at 6.00 p.m. The group will meet at the Avon Elementary School.* Participants will be served a dinner featuring pork chops and corn on the cob just like last time. It is our hope that we will also be able to replicate the outstanding community participation in an event that could easily shape the future of the Avon area.
